

Debbie Leiman

With a career spanning 25 years, Debbie boasts an impressive track record, with over half of her professional journey dedicated to the automotive industry. She has garnered invaluable experience through pivotal roles at GS Marketing and GP Strategies where she managed large-scale projects for Toyota, Kia, Hyundai, and Genesis among others.

Debbie is recognized for her proficiency in managing relationships with OEMs, a skill honed over years of hands-on experience. Her ability to serve as the vital link between clients and customers is unmatched, driven by her genuine passion for forming connections and fostering success.

In her spare time, she enjoys traveling and exploring new cultures. Welcome to the Team!
